## MAKE A DIFFERENCE

This workshop will train YOU to teach English as a Second Language or tutor children and youth.

This workshop will train you to begin a Literacy Ministry in your Church to Teach reading and writing skills to adults with low skills in this area.

Central Valley Baptist Church began a Basic English as a Second Language Ministry in March of 2009. We saw the need to provide Basic English skills to non-English speakers in our area. We targeted the Russian speakers to begin our ministry. We have been able to demonstrate and share Christ's love by meeting their need to learn and improve English skills.

ESL and TCY will provide you with skills to work with adults, children, and youth by teaching them to read and write in English, as well as improving math skills. You will learn all of this in the workshops.
