

Disaster Relief

be part of Love in action

Training

Where: Calvary Baptist Church (785 First Street, Idaho Falls, Idaho)
When: April 11-13, 2019

Training Sessions Available:

Round Table

UT-ID DR Leaders working on Schedules and Procedures. If you have an item to bring up go through the your ADRD or Leaders. Conference call info to be provided.

Introduction to Disaster Relief

This the only required class in Disaster Relief to serve on teams as a helper. This class starts your adventure that has the potential to change your life as you provide spiritual and physical help to those in crisis. Train to meet the urgent needs of those in crisis situations with loving care and a timely response as James 2:15-16 instructs us to do. Disaster relief is Christian love in action.

Cost for initial training is \$45 covers: 1 background check, Manual (emailed), 1 badge, 1 cap and 1 T-shirt. **Recertification cost \$17 covers:** 1 background check and 1 badge.

Recovery

Recovery (Mud Out (Flood), Ashout (Fire), Debris (Chainsaw, Windstorm etc.)) Not glamorous but oh so necessary. It is more than shoveling mud in buckets – come and learn the safety aspects of recovery.

Evangelism

The mission of Disaster Relief is to expose people to God's plan for salvation. This session will present evangelism concepts and approaches and how to find opportunities to share Christ while your team works. It is Essential training for all volunteers to keep the main thing the main thing.

Shower Unit

Learn to setup, maintain and deactivate a shower unit. You will serve team members and public when there are no other facilities available.

Feeding Unit Training

Food preparation and distribution. Feeding may be from a mobile unit or a fixed location such as a church or school. One of the most deployed units. Learn safe food handling in classroom on Saturday. **Please register by April 5 with one of the contacts.**

Chainsaw Training

Clearing trees and other major obstructions following tornadoes, hurricanes, floods, and so on and assisting in the removal of debris.

Blue Hat Training

The blue hat is the person designated to direct the overall daily operation of a disaster relief unit or team.
